Ace Bookbinding Co.

We give upfront pricing for all repairs before any work is started. We guarantee not to start work on your Bible without first providing to-the-cent pricing and getting authorization. Once we provide you a price for rebinding your Bible, we stick to that pricing. If more work than our initial evaluation is required in rebinding your Bible (such as page pressing and repair, tape removal, page section reconstruction...), we will do the extra labor at no additional cost.
